As a service provider, we are responsible for our own content on these pages in accordance with general laws pursuant to § 7 para.1 TMG. According to §§ 8 to 10 TMG, however, we are not obligated as a service provider to monitor transmitted or stored third-party information or to investigate circumstances that indicate illegal activity. Obligations to remove or block the use of information under general law remain unaffected. However, liability in this regard is only possible from the time of knowledge of a concrete infringement. If we become aware of any such legal violations, we will remove the content immediately.

Liability for links

Our offer contains links to external websites of third parties, the content of which we have no influence on. Therefore, we cannot assume any liability for this external content. The respective provider or operator of the pages is always responsible for the content of the linked pages. The linked pages were checked for possible legal violations at the time the link was created. Illegal content was not discernible at the time the link was created. However, permanent monitoring of the content of the linked pages is not reasonable without concrete evidence of a violation of the law. If we become aware of legal violations, we will remove such links immediately.

The use of our website is generally possible without providing personal data. As far as personal data (e.g., name, address, or email addresses) is collected on our site, this is always done on a voluntary basis, as far as possible. This data will not be passed on to third parties without your express consent. We would like to point out that data transmission over the Internet (e.g., communication by email) can have security gaps. A complete protection of data against access by third parties is not possible.
